CAT GOT YOUR TONGUE?
 WELL ... THE BARK STOPS HERE!

Here's a chance to voice
 your opinion on the
 Army way of life. . .

including housing; relocation; paid
 and volunteer work; children;
 health care; morale, welfare and
 recreation; deployments and other
 issues with the Army-wide survey
 on spouse attitudes.

During September the
Survey of Army Families V
 will be mailed to random Army
 spouses world-wide. Results lead directly to
 changes in family-focused programs and services to
 improve life for Army families, based upon what spouses indicate are
 the most important to them.

Complete the survey and fine-tune the programs that
 serve Army families. This year, survey participants will
 also have the option of completing the survey online.
 Check out www.armymwr.com for details.
