### Like father like son...sort of

Story by Nathan Van Schaik

The apple doesn't fall far from the tree for this cross-military father-son duo. William Groene is a master sergeant in the U.S. Army. His stepson, Michel Vester, is a Danish cadet currently enrolled at the Royal Danish Army Officers Academy at the Frederiksborg Palace in Copenhagen.

Vester reunited with his stepfather when he and eleven other Danish cadets recently visited the Schweinfurt garrison for a week as part of a training exercise for the cadets.

"It was about getting to know another army, for the Danish and the Americans," said Michael Cormier, the 172 Infantry Brigade partnership office.
